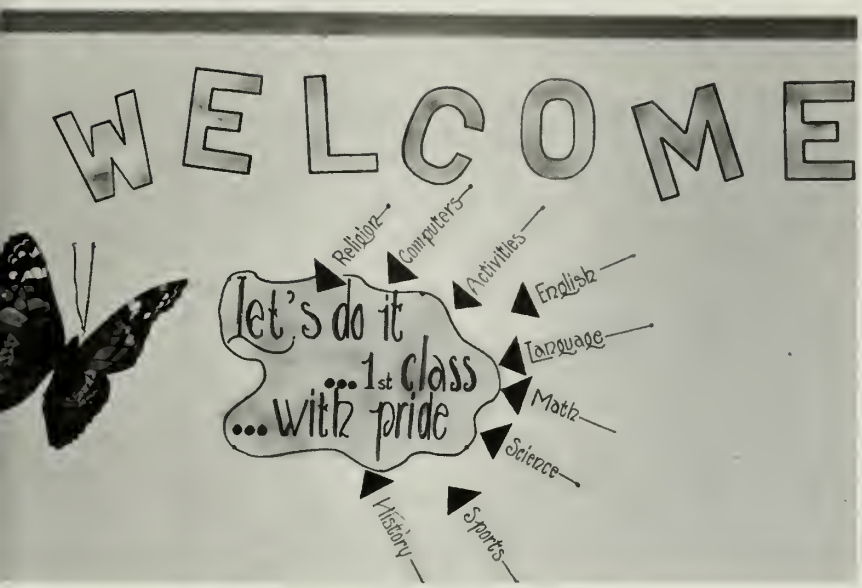
A TOUCH OF CLASS



Within the past year, there have been many changes in the way things are being done at Marianhill. In addition to stressing the importance of academics and extra-curricular activities the new administration has equally stressed the essential ingredient of pride in all things. Many benefits have resulted from the change of administration. The improved areas of the school and the new look have raised the spirits of those involved with Marianhill.

Fr. Jalbert and Sr. Muriel have put many hours into the refurbishing of the school. The money that has been poured into Marianhill has been used wisely. The cafeteria was completely renovated. The walls were done over and silhouettes were painted on them: the silhouettes indicate our spiritual, academic and athletic programs. New lockers were installed for the junior high students and electronic typewriters are at the fingertips of all the typing students.

More important than the physical appearance of Marianhill is the atmosphere. The students are proud of the things they accomplish and they see more and more students getting involved in extracurricular activities. We hope to increase the enrollment and we are well on our way.

Looking back on the past year and the school's academic and physical changes, we see how Marianhill is growing with ***A TOUCH OF CLASS.***

Philosophy

Pope John Paul II stated that Catholic education must make a contribution to the church and to society. It must educate young men and women who will be capable and willing to assume tasks in the service of the community and of society in general and to bear witness to their faith before the world. And finally, to be what it ought to be, a Catholic school must set up, among its faculty and students, a real community which bears witness to a living and operative christianity, a community whose sincere commitment is for development of the total individual. It is this goal to which Marianhill Junior-Senior High School is dedicated.

A Word to Mrs. L

Some people go through life without having met anyone who has inspired them to think of greater heights. We, the Senior class, have met that person here on the faculty at Marianhill. Mrs. Phyllis Lamontagne is that person. We are most grateful for all that has been done for us.

Mrs. Lamontagne, or Mrs. L as she is affectionately known, came to Marianhill when we were beginning our freshman year of high school. We began one of the greatest challenges of our life: to attend all of Mrs. L's English classes and to pass them. She, unselfishly, has given us more than we could ever return. Her dedication and perseverance reaches far deeper than just teaching us what is required. And so, we have learned more than just Literature from her: we have learned how to give, how to be unselfish, and how to sacrifice for the sake of others. We have learned that we can reach beyond the wildest expectations that we and others have placed on us. Mrs. Lamontagne has shown us how to surmount all obstacles.

Mrs. L, thank you for being you and for all that you have done. We will always love you.

GOING

Soon the Class of 1985, the Senior class, our class, will be leaving Marianhill to live our adult lives. We will leave behind our high school years, but take with us the memories. During our years at Marianhill, we have been touched both academically and socially, by the administration, the faculty and our fellow students. You have been our family, our friends. Because of you, we will do everything with pride, with ***A Touch of Class.***

"Life is too important to be taken seriously."

Upon leaving Marianhill, I would like to offer a few words of wisdom to my friends here. Life is important — take it seriously but not too seriously.

High school years are the best. You should laugh and enjoy life and your friends as much as you can. Make the best of your Marianhill years. Before leaving, I'd like to say thanks to all at Marianhill for making my past six years here the best.

There is one person I'll never forget. I'll love you always, Dave Hillis.

My many days at Marianhill
Seemed at times like a bitter pill.
It sometimes felt like there'd be no end,
But the broken hearts always did mend.
Wherever you look there was a friend,
Someone always had a helping hand to lend.
The times were good, the times were bad,
I'll always remember the times we've had.
As I look back on memories, so fond
Time will never break the many bonds.
I'll keep you all close to my heart,
But I wish we'd never have to part.
There comes a time to say goodbye,
But the memories of you, all, will never die.

I say farewell to everyone,
It's time for me to go.
You've touched me in a special way,
And you've really helped me grow.
I hope that we will meet again,
Because you mean a lot to me.
And who knows what the future holds
For it's very hard to see.

"It was during those difficult times that I carried you."

As man travels the different paths of life, he is faced with various situations. Some roads will be very smooth for him, well lit by sunshine and garnished by the beauty of flowers. Others, however, will be rocky and filled with sadness and trials. It is the wise man who sits back and takes in the beauty of God's creation while on the first path, examines, learns and strives through the second path, and gives thanks, daily, for the people around him that he shares both paths with.

"Hold fast to dreams,
For if dreams die,
Life is a broken wing bird,
That cannot fly.
Hold fast to dreams,
For when dreams go,
Life is a barren field of
Frozen snow."

Remember these words with heart and soul.
Do your best and achieve your goal.
School is short and does not last
Your years at MHS will soon be past.
For I know,
Often times I've wished them away
Only now to realize I want to go back and relive a day.
Reverse my time and start a new . . .
You think I'm kidding but you'll see.
Your day will come and you too will think like me.

My years at Marianhill were very special. I thoroughly enjoyed all the time spent at school, from being with my friends to the learning which took place in each class.

Over the years, I have seen many changes both in myself and in the school. My previous introverted manner, which could have been mistaken as arrogance, is no longer a part of me. As for the changes in administration, athletics, academics and the physical appearance of MHS, I feel that they are a plus. I have accomplished things to be proud of in the areas of academics, of athletics and I see the realization of certain goals. A certain achievement I am proud of is receiving the Harvard Book Prize in my junior year. Fortunately, my parents, teachers, and former headmaster, Mr. Doyle, have supported me in my endeavors.

I leave MHS happy and with much pride in myself and a great deal of pride in my school.

Back in ninth grade, I was so shy.
Ask anyone, that's no lie.
Now Kate and I love to fool
Lots of times we loose our cool.
We have a new headmaster who is really keen,
Now we have golf, tennis, and volleyball teams.
The cafeteria got a new coat of paint
The smell still makes you faint.
At school there are different sports
Most of which we play on a court.
Softball, volleyball and basketball have been fun,
But now my years at Marianhill are done.
Every day has gone by fast,
Soon high school will be a part of my past.
But I can be happy as the days pass,
Knowing they went with

The contribution I've made to the growth of MHS is minimal in comparision to what the school has contributed to my growth. My experiences with academics, extracurricular activities and friendships have brought to my attention the tremendous amount of responsibility the world demands.

My positions as president of NHS, president of my class and co-editor of the Yearbook have allowed me to develop my skills of leadership and of dealing effectively with people. Indeed, I have learned how to work with people and how to make decisions and stand by them.

I have been fortunate enough to have the backing of my friends when I needed it most, and I wish to thank them for all their support.

The changes at Marianhill especially in the area of discipline have brought more than order, they have brought respect and responsibility. The mutual respect of administration and faculty has fostered a common bond called trust. This trust has been shown in the giving of responsibility to each student. However, this new responsibility is not considered a burden rather it is looked upon as a privilege. The students seem happy and they seem to realize that caring and interest can go a long way.

Soon I'll be saying goodbye, at least temporarily, to all my friends: Marianhill and my classmates. I came as a bespecled, unsure, awkward Seventh grader and I will be leaving as a mature, responsible adult.

I would like to thank everyone, faculty and students, and all my friends, who helped me become the young adult. Though I have never often mentioned it, nor often showed it, perhaps, I'll remember all of you. I love you all.

"What?"

During my years at Marianhill, I have benefited both intellectually and emotionally due to the efforts and interest of the students and faculty. The people at Marianhill have helped me to become a better person. In turn, I have tried to help others: those students in need of my talents in computers and in math.

During the past few months, there have been many changes in the school. I know that in the next few years even more changes will take place and my only regret is that I will not be here to witness "a new growth."

The Marianhill Class of '85 is an extremely wonderful class. The students are very warm and caring. I am grateful for my Marianhill experience. I will miss both faculty and students.

Don't make me laugh. I'm posing for a candid!

Homework always makes me happy (?)

The youngest class, the class of 1990, will be graduating at the beginning of a new decade. This year's eighth grade class is readying to enter high school. The ninth graders are looking forward to choosing their class rings, a symbol of their high school years. The Junior Class is preparing to take the place of the Seniors, preparing for their adult lives. We, as underclassmen, are readying ourselves for the days after Marianhill, taking with us an important ideal: Let all that we do be done with pride!

While the class of '86 may not be very orthodox in its ways, we are a fun group. Never lacking in spirit or in unity, we aspire to be the best class Marianhill has ever known. With such a wide variety of talent, how could we be anything but the best. Next year we will be missing the seniors, but hopefully, we will be more than adequate replacements.

Speaking as President of the Sophomore class, our major goal is to raise money. We intend to do this by having dances, car washes, and bake sales. Once we earn the money, we are going to use it to put on a great prom.

In addition to this goal, we also hope to unite the class as well as the school. Doing this will make it easier to work together, to have pride in everything we do. Hopefully everything we do, will be done with A Touch Of Class.

The Freshman Class's major goal this year is to start what we hope will become an annual tradition. The Sunday before Valentines Day, we wish to hold a Mass, served by Fr. We also wish to accomplish a sense of pride and school spirit, all done with A Touch Of Class.

Finesse at The

Hurray! Things are definitely looking up at MHS in the athletic department. Three new sports, volleyball, golf, and tennis have been added to the much improved sports program. Also, there have been a few newcomers welcomed on our athletic faculty. Mr. Mayes, our athletic director, has done a super job in scheduling games, recruiting other players and obtaining new uniforms and equipment. Due to the rising interest and enthusiasm of the students, Marianhill is sure to see many winning seasons in the future.

Finish Line

On The Move

On a late summer in August, seventeen people formed the Marianhill soccer Team. On November 1, 1984, the team's final record stood at 4-11-1. In order to have achieved this feat, the soccer team possessed two traits, determination and perseverance, which challenged them to be the best team possible. They repeatedly heard the words of their new coach Dave DiGregorio: "Go out there with pride and class."

In lower left hand corner from left to right, *Back row:* John Whitcore, Warren Fontaine, Ronald Obuchowski, Edward Lemanski, Michael Beaudry, David Hillis, Roderick Murphy, Todd Musci, David Christensen, David DiGregorio (Coach)

A Marianhill Classic

When one hears the names Wimbledon, the World Series, or the Olympics, one thinks of classics. Another sports classic destined to be added to this illustrious list is: The Annual Marianhill Volleyball Tournament.

The First Annual Tournament was held on October 19, 1984. The participants included parents, faculty and students.

The Friday night of the tournament was one filled with excitement, challenge, competition, and just plain family enjoyment. Truly, we are off to a good start; we are on our way to greater happenings and events.

Cats on the Run

In early September, Junior, Sue Gibson and Sophomore, Shari Stevens unfortunately discovered that MHS did not plan on having a girls cross-country team this year. Due to their determination to have a team, they asked an experienced runner, Meg Fox, to coach and also encouraged other girls to join them in forming a team.

The team had only two meets this year, one versus Notre Dame Academy and the other versus Bartlett High School. However, in both meets, the team demonstrated spirit, determination, and class. Senior, Brenda Laporte, placed first for MHS in both meets and third (versus Notre Dame) and sixth (versus Bartlett) overall. Not far behind her were Sue Gibson and Shari Stevens. Laura St. John, Maria Lundrigan, Kris Kelley, Melissa Kneeland, Jennifer Gauthier, Tricia Podlesak, Michelle Harris, and Natasha Asturias also reached the line.

COACHES: CREATIVITY, CHARACTER, and CLASS

New faces have appeared on the Marianhill athletic staff. As previously mentioned, Marianhill now has an enthusiastic athletic director, Mr. Ron Mayes. An athletic director can be very important to a school's success in athletics. The job includes the scheduling of games, the purchasing of new uniforms and equipment, and even the task of encouraging students to join the schools' teams. Joining Mr. Mayes in the ranks are Mrs. Jeannine Lambert. (Girls' Softball and Basketball), Mrs. Margaret Fox (Cross-Country), Ms. Cindi Wood (J.V. Softball), Ms. Linda Bartolomei (Volleyball), Mr. Alan Beaudry (Girls' Basketball assist.) Mr. Gerry Nadeau (Boys' Varsity Basketball), Mr. Ken Sivret (J.V. Boys' Basketball), Mr. David DiGregorio (Soccer) and Mr. John Pace (Baseball). Hopefully, these determined coaches will put MHS where it belong, IN THE DISTRICTS!

WILDCAT GIRLS ON THE PROWL

Canty's 27 points propels Wildcats to 53-37 triumph

— Playing what coach Jeannine Lambert described as "a super game," the Marianhill Central Catholic High School girls defeated St. Mary's yesterday, 53-37.

The game was dominated by Kate Canty, who scored 27 points and hauled down 18 rebounds.

"She played a terrific game," Lambert said.

It was a good day all-around for the Wildcats as Lambert said they played excellent offensively, defensively — "and we hit our free throws."

In addition to Canty's 27 points, Chris Brown score 10, Karen Brunstetter nine, Karen Cunningham eight, and Karen Moriarity one.

Marianhill, now 4-7, put the game away early as it jumped to a 28-17 halftime lead.

Lambert said she hopes the Wildcats end the season on a high note by reaching the .500 mark.

Cultured

With the new look at Marianhill and the increased sports program, came the variety of school activities. A student can choose from newspaper to yearbook, trivia to master mind, drafting to skiing. In addition to these choices, there is also the annual musical, the April vacation trip, the Snowball and the ever-popular prom. Old and new activities have combined to make a student's life more than just academics.

All The Best Of Sturbridge-- All At One Location.

All natural cooking at our **Company Restaurant.** Soups made from scratch daily, seasonings from our own herb gardens, recipes only we know--now this is good eating. Real good.

Huge selection of country furnishings, handmade braided rugs, stencils and much, much more in our **Furniture Store.** Come early, because a single afternoon passes too quickly for serious browsers.

Handmade tin items from our **Tinsmith Shop.** We design and make everything with painstaking craftsmanship that would earn an approving nod from your forebears. We do custom work too.

Fresh herbs and herbal arrangements from **Brother Erb's.** Available unadulterated by weight or in special recipe blends. All carefully nurtured in our own gardens.

ncement 1985

Rep. Marilyn Travinski, guest speaker, brought a message of love to the Commencement exercises.

. . . ENDINGS.

On May 30, 1985, the 18 members of Marianhill's Senior Class became the Class of 1985. We would like to thank everyone who helped us along the way, always with . . . ***A Touch of Class!***

Heaven — Prom 1985

The Juniors, shown here, contribut their talents to the success of th prom. Those guys are just "WILD THINGS"

Karen Moriarty reigns supreme! Karen was chosen as prom Queen 1985. She is shown with her date and with her court.

Everyone "hart"ily approved of the fine job that Miss Hart and the class of '86 did in making prom '85 a night to remember.
